

- 
- A technical cross-section drawing of a window frame assembly, enclosed within a large circle. The drawing shows a vertical section with a horizontal line indicating the sash or pane position. The assembly consists of several layers and components, labeled with circled numbers 1 through 7. Callout 1 points to the outermost vertical frame member on the right. Callout 2 points to the top horizontal member of the frame. Callout 3 points to the upper part of the vertical frame member on the left. Callout 4 points to the lower part of the vertical frame member on the left. Callout 5 points to the horizontal member of the sash or pane. Callout 6 points to the lower part of the vertical frame member on the left. Callout 7 points to the bottom horizontal member of the frame. The drawing uses hatching to indicate different materials or sections.
